

The Unfinished Story . . .

Have you ever wondered why God doesn't just take the Christians into Heaven right away? Probably not ... but most Christians wonder what their purpose is on earth. If God finished the work of salvation with Christ's death and resurrection, but hasn't yet returned, then perhaps God's work is not finished yet. Maybe there's an "unfinished story" to be told!

The Unfinished Story© is a Christian discipleship course that will educate, inspire, and challenge participants to discover what remains to be done to complete God's mission in the world. It is a combination of video, a little reading, reflection, discussion, and prayer.

It is flexibly structured to be presented in 4 sessions of about 2 hours or 8 session of about 1 hour, ideally separated by enough time for the participants to digest the content.

Because each session builds on the prior ones, all participants are asked to commit to attending all sessions.

This course is to be conducted in the church, by the church, and for the church. A Church Coordinator must be designated by the church and will be trained by Simply Mobilizing to oversee the implementation of the course and training of the small group facilitators/leaders for that church only.

Each small group participant receives a workbook with readings and process questions to reflect on how the Lord might be speaking to them.

This course is best done by the whole church – together, with supplemental teaching from the pulpit.
